Dedicated documentary filmmaker with over 3 years of experience in both agency and production studio environments. Specialties include Story Development, Research and Investigation, Interview Techniques, Camera Operation, and Post-Production Skills.

Employment History

ASSISTANT DIRECTOR at Peppermint Studios, Beijing

04/2021–05/2022

- Assisted the director in pre-production planning, contributing to a 20% decrease in production delays through optimising the scheduling process.
- Coordinated communication between departments, ensuring each project was completed on time within budget, achieving the completion of 30 projects in a year
- Revised the script based on feedback, enhancing its quality to align with the client's vision.

Apprentice at FanBeiLu Art Space, Beijing

09/2019–03/2021

- Contributed to the research phase of documentary projects, providing key insights that shaped the narrative direction and content.
- Assisted in various stages of documentary production, ensuring smooth operations and adherence to project timelines.
